

Successful Broader Impacts	Common Mistakes
<ul style="list-style-type: none">• BI takes up enough space in the proposal to explain BI plans in detail• BI are integrated into the project throughout the proposal• BI Plan is feasible and demonstrates that PI efforts will be effective at accomplishing broader impact• BI plan includes a plan for measuring success	<ul style="list-style-type: none">• Summarizes BI in one paragraph• Listing only things the PI would do anyway (e.g., publishing, recruiting students)• Does not provide a roadmap to reaching your broader impact• Not giving yourself enough time to plan your BI, or enough time to accomplish goals during the grant
